

2025

GET READY FOR KINDERGARTEN

Event Impact Report

Since 2023, ELCPH's Get Ready for Kindergarten events have successfully assisted over 500 families with VPK (Voluntary Pre-Kindergarten) graduates as they embark on their kindergarten journey. ELCPH's 2025 events offered an exclusive, invitation-only experience where future kindergarteners participated in story time and engaging learning activities. Each child left with a kindergarten readiness backpack, specially designed to support their continued learning at home.

3

Get Ready for Kindergarten events organized by the Early Learning Coalition, taking place across Pasco and Hernando Counties.
